### Product description:

Highly concentrated hyaluronic care serum with beauty effect

- The innovative active ingredient Ectoin supports the natural self-protection of the skin.
- The crystal-clear serum contains two highly effective types of hyaluronic acid:
- Low molecular weight hyaluronic acid actively binds moisture in the skin
- High molecular weight hyaluronic acid prevents your skin from drying out
- The smoothing effect makes your skin appear tight and firm.
- Without preservatives, fragrances and dyes.
- Free of silicones, mineral oils, parabens and PEGs.
- Yverum HYALURON anti-aging serum is suitable for all skin types.

### Ingredients:
