Product description:

Skin refining serum for sensitive, irritated and impure skin. Soothes reddened and inflamed skin.

The light serum optimises the oil and moisture balance of the skin and promotes a refined skin. Pure aloe vera juice and hyaluronic acid provide the skin with long-lasting moisture and stabilise the barrier function. Due to their antibacterial properties, pansy blossom extract and salicylic acid from willow bark regulate sebum production and are effective against inflamed pores. Evening primrose oil soothes irritations and calms reddened and inflamed skin. Lends sensitive, irritated and impure skin a well-balanced, clear complexion.
