

Extra Strong Deodorant Spray

Manufacturer: I&M
Order ID: 570608
Price: 9.90 €

Product description:

This deodorant spray offers reliable protection against unpleasant body odour and does not contain any aluminium salts. The effective formula with zinc, sage and organic calendula keeps the skin dry for longer while aloe vera pleasantly nourishes the skin with its soothing properties. The particularly fine spray mist leaves a sparkling scent of lime and chamomile on the skin so that you are accompanied by a fresh scent and a clean feeling throughout the day.
