Product description:

3 in 1: moisturizing care, light tinting for a radiant, even complexion and natural, reliable sun protection for everyday use (SPF 10). Combines the nourishing texture of a day cream with the concealing, gentle tint of a foundation. The sun protection factor is the best protection against premature skin aging, while the natural colour pigments freshen up your complexion. Valuable rockrose (cistus) oil and organic aloe vera provide the skin with long-lasting moisture. Organic jojoba oil increases the skin's elasticity and makes it feel silky-smooth and relaxed.
