Product description:

The combination of highly effective ingredients such as green clay and tea tree clarifies, tones, and soothes the skin. Instant help for the well-being of your skin — sustainable support for the skin microbiome through prebiotics. Designed for acne and blemish prone skin. Very skin-friendly. The active complex with green clay clears and tones the skin, helps to shed old cells and thus promotes cell renewal. Organic tea tree hydrolate supports the skin pore-deep with its antibacterial, anti-inflammatory and skin regenerating properties. Invigorating peppermint leaves skin feeling fresh. For a matte finish and prebiotic hygiene — day after day. Non-comedogenic. For healthy and balanced skin, suitable as day and night care. Formulated to minimize the risk of allergic reactions. Dermatologically tested. Suitable for sensitive and reactive skin.
