In the morning: Apply 3-4 drops of oil to slightly damp and cleansed skin using circular motions. Follow with a light day cream - or blend your day cream with 2-3 drops of the oil.

In the evening: Apply 3-4 drops of intense moisture Moisturizing Face Oil to slightly damp skin, paying particular attention to the forehead and temples and massaging using circular motions. If needed complete your nighttime routine by applying a night cream.

Tips:

- Pamper your skin once a week using the intense moisture Nourishing & Moisturizing Mask.
- Facial oils absorb best when applied to slightly damp skin.
