Product description:

Comfort

The scent of «The Queen of the Night» is sweet and warm, mysterious and delicate. Picking is done from midnight until dawn, because the fragrance of the flowers diminishes with increasing sunlight. Jasmine is a very sensuous and feminine oil; it soothes anxiety, helps to build up self-confidence and is often used to help us understand the limits of our existence. (e.g. birth, death).

Ingredients:

Jasminum grandiflorum

Tips from Gabi Köberl:

For beneficial room fragrancing and personal aroma care. For information on the therapeutic use of essential oils, please consult respective aromatherapy reference books.
