

Cleansing Mousse with OPC, Coenzyme Q10

Manufacturer: ECO-Cosmetics

Order ID: EC072320

Price: 19.50 €

Product description:

For a youthful appearance

For gentle cleansing. This luxurious mousse gently removes mascara, make-up, UV filters and oily residues. The special caring formula of OPC, Q10 and hyaluronic acid vitalizes the skin and lends elasticity and suppleness.

A combination of three substances can help your skin keep or even regain its youthful appearance. ECO Cosmetics relies on the strength of OPC (oligomere proanthocyanidine from grape seeds) to protect cells. OPC is known as one of the strongest plant-based antioxidants. It releases the skin from oxidation protection. Cells use energy reserves released in this way for their optimization.

According to long-term studies cells may even be able to rejuvenate. Extra support is provided by Q10 and hyaluronic acid, which are already successfully utilized in numerous anti-aging products.
