### Product description:

Intensive care & cleansing for the hair

The Shikakai Powder ensures hair manageability while cleansing very sensitive scalp in a gentle manner. The powder is suitable for all hair types, in particular very fine hair, and serves to provide increased shine and fullness. It also has a strengthening effect, reduces excess dandruff and stimulates hair growth.

### Ingredients:

Acacia Concinna (Shikakai)

### Tips from Gabi Köberl:

Form a paste by combining the powder with hot water. Apply to wet hair.  
Leave on for 10 - 20 minutes and rinse with warm water thereafter.  
Cleansing with a shampoo is not necessary.

When used to prolong your hair colour treatment increase the application time to 60 minutes - depending on the structure of your hair.

For light or bleached hair, first perform a strand test. It is recommended to leave on the paste for 10 minutes, as it may possibly lead to an unwanted colour outcome!

If treating the hair with a herbal dye, cleanse with a shampoo first.
