Product description:

Integrally sustainable: The palm oil-free Organic 3.0 Body Lotion pampers the skin with moisture. The lotion is quickly absorbed, the skin is instantly, noticeably revived and is enveloped in a fine fragrance. The minimalistic formula concentrates on the essentials, minimising the allergy potential. The use of energised, swirled water revitalises the product. Organic rye flower ferment from Germany harmonises the skin moisture and stabilises the natural skin barrier. Each Speick product contains the unique extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW). Organic 3.0 stands for: Palm oil free formula. Ready biodegradability. Recyclable formulation and packaging made from renewable raw materials.
