

Skin Food Nourishing Night Cream

Manufacturer: Weleda
Order ID: W6611
Price: 17.95 €

Product description:

Increases skin resistance while you sleep

This cream uses the nightly regeneration phase to supply the skin with nutrients and, at the same time, stimulate the cell renewal process. The combination of plant extracts from marigold, pansy, chamomile, squalane, and valuable sacha inchi oil also provides intensive moisture and strengthens the skin's protective barrier. Look forward to a radiant and soft complexion first thing in the morning.
