Product description:

Your Affirmation: I am Courageous

Johann Wolfgang von Goethe says it right: ›courage is the commitment to begin without any guarantee of success‹. Fear is the reaction we have to a possible outcome we do not feel comfortable with and courage is a choice we make to push that fear aside and see what happens and knowing we will be alright know matter what. The truth is that the more courage you have, the more you can expand your life experience. So many of us are ok to settle for routine with the comfort of not having to take risks or face our fears but we all know that this will not help us grow and will not bring us further in life. To really see the changes, you want to have in your life you have to be willing to take risks and see what is on the other side of your comfort zone. So be the courageous women you are and take some risks and see what happens! Say it until you believe it: ›I am Courageous‹.

Tips from Gabi Köberl:

For best results, we recommend to first apply our vegan base coat, then 2-3 coats of nail polish and finish off with our vegan top coat. 1-2 days a week it is good to give your nails a little break and some fresh air. Once your

nail polish is empty, remember to recycle it. Learn how to recycle it [here](#).
