Your Affirmation: I am Confident

We all have times where we question ourselves and feel somewhat insecure. Some of us more than others of course, but we should all be able to feel 100% confident and sure about ourselves at all times because we all truly deserve to. Most of the time, the insecurities we have are due to us comparing ourselves to others and/or some unrealistic standard the society has set us. We want to be liked by everyone and avoid conflict even at the cost of being our true selves. But how much more beautiful would the world be if we could all accept and love ourselves for who we are? If we could all walk in a room and not compare ourselves to others but simply admire others and their unique qualities whilst also loving ourselves? Live by the saying: “there is no competition because no one is me”.

Life will present so many amazing opportunities the more confident you feel so it's definitely a muscle worth practicing. It's not easy and it won't happen overnight, but it is definitely like a muscle which you can train and with practice you will see positive results and progress every single day. Start today and repeat your affirmation at least 10 times: >I am CONFIDENT<

Tips from Gabi Köberl:

For best results, we recommend to first apply our vegan base coat, then 2-3 coats of nail polish and finish off with our vegan top coat. 1-2 days a week it is good to give your nails a little break and some fresh air. Once your nail polish is empty, remember to recycle it [here](#).
