Product description:

Many women know these days when the mood regularly plummets. Who wouldn't wish for a natural mood doping that reliably gives the mood a leg-up? The fragrant pick-me-up with essential oils of luminous bergamot, mood-enhancing clary sage and balancing rose geranium reminds us of the sunny side of life even on dark days.

Tips from Gabi Köberl:

Apply 3-4 drops to aroma stone or inhaler stick, breathe in deeply.
