Price: 26.90 €

### Product description:

The Face & Body Self-Tanning Drops confer a luminous, natural-looking golden tan to the skin.

A few drops mixed with your Face or Body skincare provide customizable coloration at will: 1 to 3 drops for a light to medium effect, 4 to 7 for more intensity.

With no added fragrances, the drops easily mix with your lotion\* for simple application and uniform results.

Thanks to the Self-Tanning Drops benefit from the properties of your habitual skincare, with the added subtlety of a golden tan.

It also prevents premature skin aging thanks to the effect of Alga-Gorria®, our patented antioxidant extract.

Thanks to this product, even the sensitive skin types generally unable to be exposed to the sun can obtain an embellishing tan.
