Product description:

Eucalyptus toothpaste cleans effectively with ingredients of 100% natural origin and has a intensive and refreshing taste. The small abrasive grains originate from chalk, which was created millions of years ago. Therefore, Urtekram toothpaste has the natural, off-white colour of natural chalk. Our toothpaste contain aloe vera, myrrh and magnolia bark extract because it helps your gums and provides additional care. Certified by Ecocert Cosmos Organic, vegan and of natural origin.

Ingredients:

Calcium carbonate, aqua, glycerin**, aloe barbadensis leaf extract*, xanthan gum, eucalyptus globulus leaf oil* (aroma*), commiphora myrrha oil, magnolia officinalis bark extract, limonene.
