Product description:

Ruby red

Beyond Fear is a beautiful, cool ruby red vegan lipstick. This shade is elegant yet eye-catching and is an amazing addition to your lipstick collection. The natural lipstick has a high coverage and provides your lips with plenty of moisture thanks to caring ingredients such as organic shea butter and organic jojoba and castor seed oil. The colours come from 100% natural pigments including veggie pigments like sweet potato and radish.

Ingredients:

Ricinus Communis (CASTOR) Seed Oil*, Cocos Nucifera (COCONUT) Oil*, Raphanus Sativus (RADISH) Root, Candelilla Cera / Euphorbia Cerifera (CANDELILLA) Wax, Ci 77891 (TITANIUM Dioxide), Hydroxystearic/Linolenic/Oleic Polyglycerides, Butyrospermum Parkii (SHEA) Butter*, Maltodextrin, Copernicia Cerifera Cera / Copernicia Cerifera (CARNAUBA) Wax, Simmondsia Chinensis Seed Oil*, Citric Acid, Glyceryl Caprylate, Pentylene Glycol, Tocopherol, Magnolia Officinalis Bark Extract, Helianthus Annuus (SUNFLOWER) Seed Oil, Benzyl Alcohol

* From certified organic farming.

Tips from Gabi Köberl:

Apply our lipsticks directly with the applicator and for a more precise application, the use of a lip brush is recommended. Start by applying the lipstick on your upper lip from the center out to the edges. Now you can press your lips together and fill in the lower lip for an even application.
