

Organic Dietary Supplement for Immune System

Manufacturer: Weleda
Order ID: W6287
Price: 24.95 €

Product description:

The Organic Dietary Supplement for the Immune System by Weleda draws its natural sources from acerola, sea buckthorn, ginger and elderflower. A perfectly matched complex of vitamin C and zinc contribute to a normal functioning immune system and protects the cells against oxidative stress.

Ingredients:

Acerola juice powder*, sea buckthorn pulp powder*, capsule shell hydroxypropylmethylcellulose, pomegranate juice powder*, broccoli juice powder*, ginger root extract*, black elderflower extract*, mixture of shiitake extract*, oyster mushroom extract* and Indian basil leaf extract*, bamboo extract*

* From certified organic farming.

Tips from Gabi Köberl:

Recommended intake: Take 2 capsules daily with some liquid.
