

## Re-Energizing Sleeping Oil-Elixier

Manufacturer: Lavera

Order ID: 3110673

Price: 15.99 €

### Product description:

Increased energy for your skin cells

The Re-Energizing Sleeping Oil-Elixier by lavera stimulates cell regeneration at night for a recuperated and radiant complexion first thing in the morning. The delicate texture supplies the skin with antioxidant-rich grapeseed oil and other potent actives for a silky-soft feel. The skin cells are recharged with energy to restore the skin's natural beauty.

### Tips from Gabi Köberl:

Apply to clean skin at night prior to using a night cream.  
Gently massage it into the skin until fully absorbed.
