Product description:

The sulphate and fluoride-free Organic Herbal Toothpaste by BIOTURM contains botanical cleaning particles made from cellulose that gently and effectively remove deposits whilst being gentle on the gums. Organic chamomile, sage and lemon balm extracts soothe and protect. At the same time, organic peppermint provides a lasting feeling of freshness. With regular use, this toothpaste contributes to maintaining healthy teeth and gums.

Ingredients:

Sorbitol, Aqua, Cellulose, Sodium Cocoyl Glutamate, Glycerin, Pentylene Glycol**, Xylitol, Chondrus Crispus, Zinc Oxide, Aroma, Chamomilla Recutita Flower Extract*, Mentha Piperita Leaf Extract*, Salvia Triloba Leaf Extract*, Melissa Officinalis Leaf Extract*, Xanthan Gum, Zinc Lactate, Menthol, Limonene

Tips from Gabi Köberl:

Use a small amount of toothpaste on a moist toothbrush to clean the teeth and gums.
