Product description:

For a clean and relaxed skin feel

The unique and gentle cleansing milk clarifies the skin and lifts away impurities, make-up and dirt particles effectively. Its mild texture contains a plant-packed combination of citrus extracts, cucumber oil and mint that pamper the skin and protect against dehydration whilst exuding a wonderfully fresh scent.

Tips from Gabi Köberl:

Gently massage onto moist skin to cleanse then rinse with warm water.

To remove make-up from the eyes and the lips, pour the cleanser onto a damp cotton pad then gently stroke it across the eyes and lips.
