Price: 14.29 €

### Product description:

Revitalising moisturising care for a natural glow

Experience the lavera sensation of noticeably revitalised skin:

Our Glow by Nature Day Cream revives tired skin and combats the first signs of ageing the natural way. The highly effective formula with natural coenzyme Q10 and vitamin C reduces free radicals and thus protects against oxidative stress. It revitalises tired skin, provides long-lasting moisture and reduces fine lines. The wonderfully light moisturising texture absorbs quickly and gently melts into the skin for a healthy-looking, radiant complexion.
