Product description:

So fresh! Gentle cleanser with no additives

The Clean Beauty Gentle Cream Cleanser features a particularly gentle formula to ensure a clear complexion, particularly for dry, sensitive skin. Selected, fair-trade, and organic ingredients offer plant-based substances that gently but thoroughly remove any facial skin impurities – sulphate-free, and without any potentially irritating additives. The simple skin-care formula in the Clean Beauty Cleanser ensures nothing but refreshing clarity, inside and out.

Squalane, shea butter and almond

While pure squalane made from olive oil binds and preserves the skin's own moisture reserves, pure fair trade aloe vera restores lost moisture to the skin. At the same time, cold-pressed almond oil provides particularly moisture-deficient skin with smoothing and soothing care. Nourishing shea butter additionally protects sensitive, stressed skin and makes it soft and silky. The vegan Clean Beauty cleansing cream provides gentle, moisturising care even during cleansing, without foaming sulphates.
