### Product description:

A wonderful day and night care for all busy people who want to give their skin a break from the daily hustle and bustle: Stress reduction and skin tightening in one.

The innovative complex of active ingredients from Rosa Damascena activates the skin's olfactory receptors, reducing the transmission of stress messengers and protecting the skin. Bakuchiol, as a plant-based vitamin A alternative, acts like a collagen booster and tightens the skin. An extract of alpine rose protects the skin from oxidation and restores its radiance. High-quality wild rose oil has an additional antioxidant effect on stressed skin. A true powerhouse for a rested, visibly rejuvenated appearance.
