

Alpine Rose A+ Eye booster serum

Manufacturer: Farfalla
Order ID: FA85856
Price: 29.90 €

Product description:

The innovative complex of active ingredients from Rosa Damascena activates the skin's olfactory receptors, reducing the transmission of stress messengers and protecting the skin. Bakuchiol, as a plant-based vitamin A alternative, acts like a collagen booster and tightens the eye area. An extract of alpine rose protects the skin from oxidation and restores its radiance. High-quality wild rose oil has an additional antioxidant effect on stressed skin. The effect is enhanced by the rose quartz roll-on ball: a crystal that has been used for centuries to enhance well-being, is known to relieve stress and fatigue, and inspires positivity. The rose quartz ball can be easily pushed out with a long object after the product has been used up and further used as an energy stone. A true powerhouse for a rested, visibly rejuvenated eye area.
