Product description:

Cattier Dermo Organic Lipid-Replenishing Shower Gel 500ml is a gel formulated to gently cleanse, soothe and protect dry to very dry, weakened and atopic-prone skin.

Its high tolerance formula is suitable for the whole family and respects the most fragile skin.

The combination of the Organic Active Botanical Complex and moisturizing active ingredients prevents the skin from drying out and protects it from feelings of tightness.

Day after day, the skin is soft and soothed and regains comfort and suppleness.
