

Hyaluronic Serum Sensitive

Manufacturer: I&M
Order ID: 570512
Price: 18.90 €

Product description:

Moisturising, regenerating, sensitive

Hyaluronic Serum is a sensitive, low-irritant moisture booster with a freshening effect and is exceptionally kind to dry, sensitive skin. A hypoallergenic formula containing three types of hyaluronic acid and soothing organic extracts leaves sensitive skin types looking smooth, firm and fresh – with no allergenic fragrances or essential oils.

Much in demand, it is the ideal hydrating care for those who have been waiting for a fragrance-free version of our popular Triple Hyaluron Serum.

Three types of hyaluronic acids

Hyaluron is a natural component of the skin that keeps it elastic and resilient. The body's own hyaluron production decreases with increasing age, but can be compensated for from the outside even for dry and sensitive skin.

Various hyaluronic acids are used in our serum for maximum effect: High molecular hyaluronic acid lies as a fine film on the skin, binds moisture and also prevents its evaporation. The medium and low-molecular hyaluronic acids penetrate deeper into the skin and bind moisture there.

Aloe vera, oat and almond

In addition to three types of hyaluronic acid, fair trade organic aloe vera provides intensive moisture and exquisite oat kernel oil strengthens the skin's defences. It protects sensitive skin especially from damaging

external influences and safeguards it from further loss of moisture.

Rich almond oil soothes the skin with valuable vitamins and relieves skin irritations. This gives sensitive and allergy-prone skin a chance to recover. Pure freshness for sensitive skin types without allergenic fragrances or essential oils.

Ingredients:

AQUA, ALOE BARBADENSIS LEAF JUICE* (ALOE VERA*), PENTYLENE GLYCOL, POLYGLYCERYL-4 CAPRATE, SODIUM HYALURONATE (HYALURON), AVENA SATIVA KERNEL OIL (HAFER), VANILLA PLANIFOLIA FRUIT EXTRACT (VANILLE), PRUNUS AMYGDALUS DULCIS OIL* (MANDEL*), SCLEROTIUM GUM, LEVULINIC ACID MAGNOLIA OFFICINALIS BARK EXTRACT, XANTHAN GUM, SODIUM HYDROXIDE, TRIETHYL CITRATE, SODIUM PHYTATE, ALCOHOL (<0,1%)

* organic agriculture

Tips from Gabi Köberl:

Simply massage into cleansed skin before applying day cream or as a stand-alone care product.
