Product description:

This rich leave-in hair oil is specially developed for dry and damaged ends. With a unique formula enriched with high-quality plant oils, it strengthens, nourishes and fortifies the hair so that damaged ends become velvety soft again and regain their natural shine. The powerful combination of pure squalane and valuable oils from argan, apricot, macadamia, almond and avocado prevents hair breakage and split ends and optimally locks in moisture. Lemongrass essential oil gives the hair oil a heavenly citrus scent.

Use the hair oil daily or as an intensive-care treatment after cleansing the hair. The high-quality oil blend is ideal for all hair types in any condition. It strengthens the hair fibres with regular use in the long term making them more resistant and imparts renewed elasticity. This improves hair manageability in the long run and boosts shine.
