

Grapefruit Deodorant Cream

Manufacturer: I&M
Order ID: 570705
Price: 11.90 €

Product description:

Tausendschön deodorant cream deodorizes softly but effectively with a composition of zinc, natron and coconut. It inhibits uninvited odor development for many hours without compromising the sweat regulatory function of the skin – completely without the use of alcohol, aluminium or alum. At the same time abirritant zincoxide sedates sensitive axillary skin – especially soothing after a shave. Fair trade organic almond and olive oil make for a velvety soft skin whereas the fruity fresh scent of grapefruit refreshes body and mind. Special highlight: already existing odor will be neutralized by Tausendschön deodorant cream immediately. Use: gently apply a pea-sized amount of Tausendschön deodorant creme on armpit as needed and enjoy the refreshment.
