### Product description:

Anti-ageing eye cream with natural coenzyme Q10

Experience the lavera sensation of naturally smooth skin:

Our basis sensitiv Anti-Ageing Eye Cream fights the signs of ageing the natural way. With its antioxidant properties, the gentle and well tolerated unscented formula with natural coenzyme Q10 combats premature skin ageing. Specially tailored to the needs of the delicate skin around the eyes, gently smooths the eye contour.

Gently nourishing formula for naturally smooth skin:

- Provides intense moisture
- Visibly reduces wrinkles
- Unscented

Organic mallow is known for its soothing properties and is therefore a key ingredient in our products for the delicate eye contour.

Organic shea butter contains lots of valuable ingredients such as vitamin E; due to its intensely nourishing properties, it is used in our products.

The natural coenzyme Q10 is involved in cellular energy metabolism and its antioxidant properties protect the skin from premature ageing.
