Product description:

The lavera Naturkosmetik research team has developed an innovative composition of active ingredients, which combines natural coenzyme Q10 with five power ingredients from nature and thus combats signs of skin ageing.

Natural energy kick for firm skin Our skin loses moisture and elasticity with its natural ageing process. The lavera Firming Body Lotion with its specially developed Q10 composition of active ingredients is absorbed quickly, reveals naturally beautiful skin and gives it renewed elasticity. For a beautiful, firmer complexion – after just 2 weeks.

100% certified natural cosmetics
